

PET RESIDENCE

ASSEMBLY INSTRUCTIONS

Verify contents in package.

Contents include: bottom panel, 2 side panels, front panel, back panel, top panel, tray and hardware package.

Call customer service at **(334) 821-7800** if any contents are missing or damaged.

Gradually acquaint your pet with his new home.

Encourage your pet to go into his home on his own. Don't force him.

At first don't close the door on him, let him go in and out on his own.

Place familiar items in the home like soft, comfortable bedding or a favorite toy.

Never punish your pet by putting or forcing him into his home.

Your pet's home should be his secure place, not associated with punishment.

Replacement parts available by calling customer service at (334) 821-7800.

US PATENT #D 483, 156; OTHER PATENTS PENDING.

Made in China

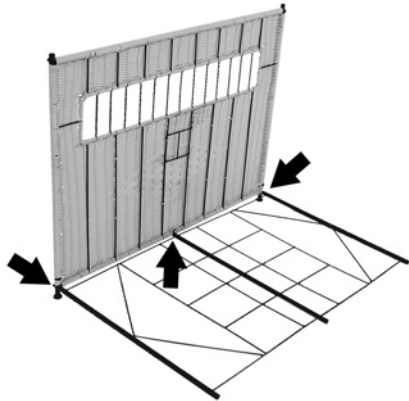

PET RESIDENCE

FIRST

VERIFY CONTENTS IN PACKAGE. Contents include: bottom panel, 2 side panels, front panel, back panel, top panel, tray and hardware package. Call customer service at **(334) 821-7800** if any contents are missing or damaged.

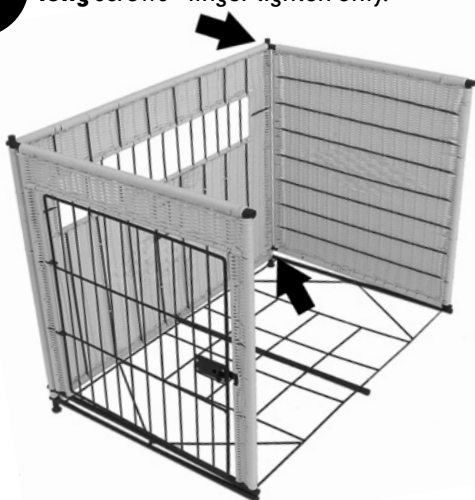

1 Assemble one side panel to bottom panel using **long** screws - finger tighten only.

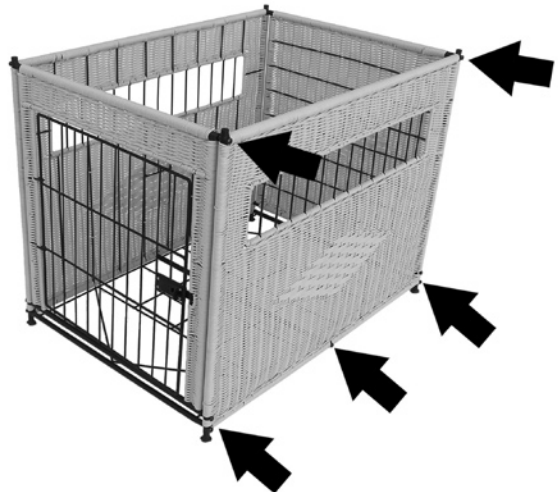

2 Assemble front panel to side panel using **long** screws - finger tighten only.

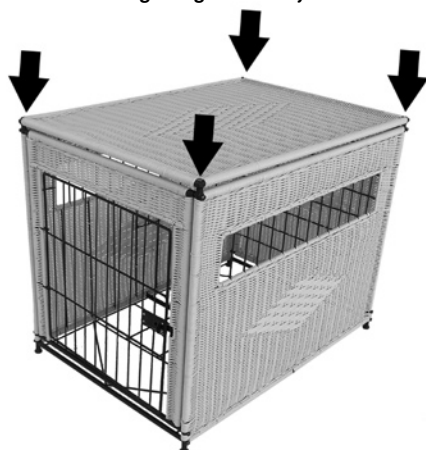

3 Assemble back panel to side panel using **long** screws - finger tighten only.

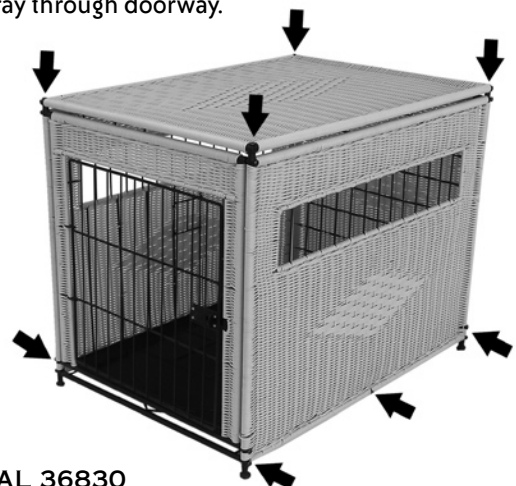

4 Assemble other side panel using **long** screws - finger tighten only.

5 Assemble top panel to side panels using **short** screws - finger tighten only.

6 Tighten all screws carefully with allen wrench making sure to avoid pinching resin rattan between panels. Insert tray through doorway.
