WALKING SOLUTIONS FROM PETA SAFE® BRAND

The Training Systems product collection from global pet product expert, PetSafe brand shows how pet owners can take the strain out of walking their pets. Offering a wide-range of harnesses, PetSafe brand has a practical walking solution for all owners and their pets.

The most recent addition, the **EasySport™ Harness**, offers a comfortable, fully adjustable and padded harness that makes dog walking a relaxing and enjoyable experience. The elasticised neckline provides a cosy fit whilst the two quick snap buckles make the **Harness** easy to get on and off. In addition, the top handle gives an extra degree of safety when it's needed quickly.

Also available in the collection is the PetSafe **Easy Walk® Harness**. Designed to gently discourage dogs from pulling with its unique front-chest lead attachment, the **Harness** helps the owner take control and redirect the dog's attention if necessary.

The PetSafe **Easy Walk** product range also includes the **Easy Walk Cat Harness & Lead**, which offers an innovative approach to the traditional cat harness providing greater safety, comfort and humane control.
