## **NATIONAL LOVE YOUR PET DAY GIVEAWAY FROM PETS SAFE® BRAND**

We all understand just how important our pet's health is to their overall well-being. So in celebration of national Love Your Pet Day on the 20<sup>th</sup> February, PetSafe® brand is looking for a special pair of pets to spoil! We'll be giving away a bundle of products worth over £100 to help keep them in tiptop shape all year round.

Each prize package will contain either a Drinkwell® 360 Stainless Steel Pet Fountain or a Drinkwell® Avalon Ceramic Fountain, designed to keep pets well hydrated by consistently providing them with a free-falling stream of water.

For your four legged friend, other items up for grabs include the Busy Buddy® Ultra Sub, packed with all natural rawhide to keep dog teeth healthy, clean and strong. And the Busy Buddy® Bristle Bone, the dental toy dogs love to chew.

Designed to look like a sandwich, the Busy Buddy® Ultra Sub features two ultra-thick rawhide treat rings which spin while your dog chews, placed between knobbly nylon 'buns'. The Busy Buddy® Ultra Sub will keep your pooch entertained for hours on end.

Meanwhile, the durable nylon bristles and rubber nubs on the Busy Buddy® Bristle Bone® encourage good dental health, as they help clean your cuddly canine's teeth as your dog gnaws on the replaceable treat rings.

For those with a feline friend, the FroliCat® DART automatic rotating laser light will keep your cat active and entertained for hours. With four different speeds and 16 play combinations, the rotating laser keeps you cat moving through interactive play coaxing out natural instincts to hunt and pursue.
