PLAYTIME FOR PUPS IS NOW EVEN MORE FUN!

PetSafe® Brand launches four new dog toys

Playtime for pups is about to get even more fun with the launch of four new dog toys from PetSafe® Brand. Just like people, pets need to take time out to enjoy themselves – and the new additions are designed to help dogs do just that.

Global pet product expert PetSafe® Brand has designed each of the four toys to excite dogs of all ages and sizes, while also challenging them mentally to keep them actively engaged and alert.

The following new additions to the Play & Challenge range are available from September from the PetSafe® Brand [website](#) and other selected retailers:

[Squeak 'n Treat Ninja Star, from £4.99](#) – this fun durable toy features rubber Treat Meter™ treat dispensers that offers customisable rates of treat release. The toy also has a squeaker which gives pups the fun of the squeak without pet parents having the mess of plush toy destruction clean-up. Available in three sizes, the Ninja Star's unique shape makes it perfect for fun fetch play too.

[Chilly Penguin, from £4.99](#) – this unique freezable toy releases cool dog-safe treats making it perfect for the hotter months. Pet parents simply put their dog's favourite treat in the bowl-shaped cavity, pop in the freezer overnight and then the treat is ready to enjoy. The toy's wobble design gives dogs an extra challenge and further helps extend playtime. Multiple Penguins can be stacked on top of one another in the freezer and the toy is conveniently dishwasher safe.

[PetSafe® Grip 'n Tug™, £12.99](#) – this durable toy provides a rewarding, safe and fun experience for pups and their parents and is a wonderful way to train dogs with basic commands like “drop it.” Its smart design means the fleece and rope braided tug does not get stuck in a dog’s teeth or gums and its protective handle makes it safer and less tiring for pet owners. Conveniently, the “Tugs” are detachable, meaning they

can be both machine washed and replaced if needed.

[PetSafe® Fleece Tug, £7.99](#) – this toy can be used alone in a fun game of tug or as a replacement Tug for the PetSafe® Grip 'n Tug™ toy.
