PETSAFE® LAUNCHES NEW FISHBOWL CAT FEEDER

For a fun and rewarding play experience, treat your feline friend to the new exciting Fishbowl cat feeder toy from the Play and Challenge range by PetSafe®.

Watch your curious cat try to fish out the food from the clear plastic Fishbowl and have fun smelling and catching the treats inside. There's no need to worry about it toppling over as the weighted base prevents the bowl from overturning.

Ideal for cats of all ages, this treat-dispensing toy will keep your cuddly companion engaged and entertained for hours. The Fishbowl can be used to dispense a small amount of dry treats or enough kibble for an entire meal - you control the portion size. For easy cleaning, just pop the bowl onto the top rack of the dishwasher.

Other products in the PetSafe® Play and Challenge range include puzzle feeders such as the Egg-Cersizer™ and Twist 'n' Treat™. Useful and entertaining, the feeding balls aid digestion and regulate portion size by releasing small amounts of dry food regularly – they also provide exercise through play!
