**RADIO SYSTEMS CORPORATION UNVEILS
NEW WASTE MANAGEMENT PRODUCT AT ZOOMARK
STAND 27, HALL 22**

Having acquired leading label **ScoopFree**, Radio Systems Corporation now offers a simple yet convenient solution to pet waste management alongside its traditional product lines, such Training Systems, Containment Systems and Bark Control.

A self-cleaning litter box, the **ScoopFree** cat litter tray boasts unbeatable odour control, hassle-free convenience and superior reliability for cat waste management. An automated rake passes through the tray following use to deposit waste in a covered waste trap, while premium crystal litter absorbs any moisture.

Trays are fully disposable and require zero contact with waste on the part of the owner. Other features include an anti-leak guard, recyclable packaging and privacy hood. Highly reliable, **ScoopFree** trays can be used for a number of weeks at a time.

Meet a company representative on stand 27, hall 22 to discuss further benefits of **ScoopFree** and to discover other products in the extensive Radio Systems Corporation portfolio.
